

SMART EDUCATION PAC™

for training that works

COMPLETE WITH SET OF DEMONSTRATION EQUIPMENT

THE IDEAL WAY TO RUN AN MCI TRAINING SESSION

INCLUDES INSTRUCTORS CD AND TRAINING PRESENTATIONS

PROVIDES THREE PRACTICAL EXERCISES AND CASUALTY SCENARIOS

Smart Dummies™

A great training aid for practicing decontamination and casualty management. These manikins don't get cold, need feeding or walk off. The **Smart Dummies™** eliminate all the difficulties associated with "real" mock casualties and allow you to concentrate on your training. The **Smart Dummies™** are durable enough to practice with persistent agents that wouldn't normally be practical.
